Modification For new Time and date

I, Daniel S. Green have recived an order for a teleconference with judge Thyng and that Stacy Xarchoulakos, Esquire shall initiate the teleconference.

The reason for new time and date is I will be at Dr. Ger on April 11, 2007 hand speicalist and then back to my Dr. Mrs. Holly wright, MSN. And I would like to have all the information from them before the conference, even if I have to fax it on the date of the teleconference.

So if this could be reschedule until the 2nd or 3rd week of April your honor. Thankyou

Respectfully

Daniel S. Green
